

paws for pancreatic cancer

4TH ANNUAL BENEFIT
IN MEMORY OF BECKY EVETTS

Saturday, May 1, 2010
9:30 to 11:30 a.m.

Help raise funds and awareness for Pancreatic Cancer!

Paws for Pancreatic Cancer is a organization that provides support to patient families and funds to the national Pancreatic Cancer Action Network. Pancreatic cancer is one of the most fatal forms of cancer with a 99% mortality rate. Join us to raise awareness and funding for this deadly disease.

Bring your dog, your neighbor's dog, or no dog at all, and walk around Terry Hershey Park. We will have an organized walk around Terry Hershey Park. Refreshments will be available for you to cool down from the walk. Each station can also receive cash or check donations.

There will be a professional photographer ready to take pictures with you and your pup! We will have a talent show so tell your dog to practice his/her tricks and get ready to make new friends!

As this is not an official dog park, all pets must be secured on leashes.

* Make checks payable to Paws for Pancreatic Cancer
All proceeds are being donated to the Pancreatic Cancer
Action Network ... www.pancan.org.

Sally...
the inspiration behind this event
